Colorado Springs, CO February 22, 2002 At the end of the first day of competition at the 2002 Mountain West Conference Indoor Track and Field Championships Colorado State leads BYU 64 - 60.

Coach Robison - "I'm pleased today. We're pretty much where I thought we'd be. We had some great performances. The greatest performance was Aron (Szmuda) setting a Slovakian indoor national record of 25' 6.25" (7.78m) in the long jump. (It is also a MWC record, and a provisional qualifier.)

"I am pleased with the high jump. Ammon Dahl set a PR. He nailed it. The other guys hung in there. Matt (Nielsen) got a MWC record in the qualifying (400). We advanced a lot of kids. We had some disappointments, but that is part of it.

"Colorado State is stronger than they have been in the past. It will be a good competition tomorrow."
