Carter 3rd in Nation!

Written by Doug Padilla on Saturday, June 10, 2006

Sacramento, Calif. Chris Carter ran the 400 Meter Intermediate Hurdles in 49.19 to earn bronze at the NCAA National Championships today. Carter's time is a PR, second to only Ralph Mann's 48.74 World Record, set in 1970. Said Carter, "Pleased? Yeah! I'm a freshman. It's a PR. I have great coaches that know how to motivate me and get me to run fast."

Carter is just a freshman, earning a State Championship in the 300m Hurdles last year for Roy High School.
