Arrhenius Earns All-American Honors

Written by Doug Padilla on Friday, June 13, 2008

Des Moines, IA. Sophomore Leif Arrhenius threw 57.27 m, 187' 11" to finish 4th in the competition and earn All-American honors. The competitors had a tail wind through the qualifying first three throws before the wind switched to a combination head/cross for the finals. Most of the best throws were achieved in the finals.

"I felt pretty good heading in to the finals. While I am pleased to finish in the top 4, I was hoping for better," said Arrhenius.
